Islamorada Resort Co. presented a check for \$5,376 to the Florida Keys chapter of the American Cancer Society on Dec. 11 at the Pelican Cove Resort & Marina.

Upper Keys resorts support American Cancer

Pelican Cove Resort and Marina, Postcard Inn Beach Resort and Marina and Amara Cay Resort participated in the "Islarosada Campaign" and donated a percentage of sales from every hotel room booked throughout October to the American Cancer Society's Keys chapter.

The donation was a result of the a company-wide campaign that raised awareness for breast cancer throughout the month of October at the company's three Upper Keys resorts.
