### PULITZER AMSTERDAM

*Amsterdam, The Netherlands*

An ideal example of Amsterdam's history and contemporary Dutch design, the hotel completed extensive renovations in the fall of 2016. Set within 25 interlocked 17th and 18th century canal houses, the hotel introduced 225 refreshed rooms and suites, a transformed lobby and the new, park-like hideaway, Pulitzer Garden. ### THE FRANKLIN HOTEL

*Knightsbridge, London*

Set in the heart of Kensington in Central London, The Franklin Hotel is reopening after being acquired in 2014 by the Florence-based Starhotels.
