

The Dewberry
SPA

Mr. Dewberry's own Charleston carriage house was the design inspiration behind The Dewberry Spa. Quiet luxury defines the space while cypress covered walls envelope and warm you. Immerse yourself in a deeply restorative experience through our signature treatments curated by renowned spa expert Lydia Mondavi.

Drawing inspiration from elements of the lowcountry, including the southern native dewberry plant and sea extracts, we handcraft each signature treatment to include a luxurious blend of antioxidants and botanicals that nourish your mind, body and spirit.

SIGNATURE AND CUSTOMIZED SPA TREATMENTS

THE DEWBERRY SPA TREATMENTS ARE RICH IN BOTANICALS, SEA EXTRACTS, AND ANTIOXIDANTS. THESE ELEMENTS COMBAT FREE RADICALS AND PROMOTE THE SKIN'S COLLAGEN TO CREATE HEALTHY ELASTICITY, SUPPLENESS AND REVERSE THE SIGNS OF AGING.

Your experience begins as our Spa Concierge offers you a cup of our custom blended Dewberry Tea. After slipping into your plush robe and spa sandals, enjoy a warm aromatherapy neck pillow and begin to rejuvenate in our relaxation room.

Our spa treatment rooms are beautifully appointed with heated water beds layered with exquisite linens and billowing duvets. A unique level of customization is available for guests, including individual climate control and several music selections for your personalized experience. Your comfort and wellbeing are top priority at The Dewberry Spa.
