Ceremony Ideas

While the Dream Inn offers ceremony space, we understand the appeal of hosting your ceremony in a separate location than the reception.

Below are some favorite venues of our brides.

Beachy Vibes

Cowells Beach is directly in front of the Dream Inn and offers four spots for a beach ceremony. The Light House Field is a short drive or leisure stroll away from the hotel and offers the beauty of a beach ceremony but without sandy toes.

Either location can be reserved through the City of Santa Cruz's Parks and Recreation Department. Permits are about \$300.00 for eight hours and booked up to one year in advance.

Majestic Redwoods

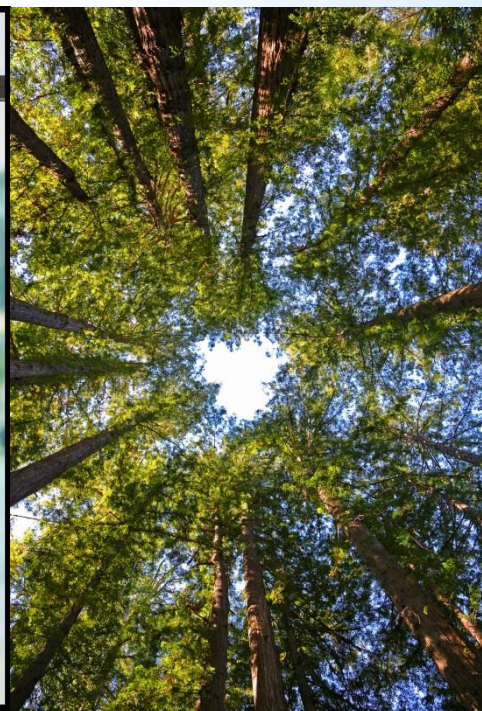

Roaring Camp (approximately 20 minutes from the Dream Inn) offers a magical Redwood ceremony experience.

Traditional Romance

Holy Cross Church (approximately seven minutes from the Dream Inn) is a gorgeous option for those seeking a religious or romantic ceremony location.
