

FRENCH QUARTER

Inn

What At the French Quarter Inn, old world charm meets Charleston's authentic southern hospitality with extensive daily amenities in a comfortably upscale setting. The Inn is located in the city's Historic District just steps away from the bustling City Market and the city's top dining, shopping and cultural destinations.

Having undergone a design refresh in 2016, the 50-room property features turn-of-the-century inspired elements invoking a European flare while remaining true to the property's southern roots. The lobby features elegant design touches, including hand-crafted iron work and a majestic skylight.

Epicurean without a formal culinary program, local gastronomic touches are seen throughout the property from the legendary Callie's biscuits, part of the complimentary artisan breakfast, to the turndown chocolates provided by Charleston chocolatier Christophe Paume.
