HARBOUR VILLAGE BEACH CLUB - BONAIRE

As the only luxury hotel on the Caribbean island of Bonaire, guests are treated to a truly customized experience where even the most spontaneous wishes and whims are a specialty of the intuitive Harbour Village staff. All 38 Dutch Caribbean-style suites tout private open-air terraces complete with swaying hammocks. La Balandra Restaurant & Bar keeps kids occupied with over-the-water “aquarium seats” where LCD lights penetrate through the water to reveal sea creatures swimming by. Meanwhile, adults sample local dock-to-dish specialties and savor Bonaire’s stunning sunset. It also boasts the only private beach on the island, complete with hammocks for relaxation and complimentary lounge chairs and beach towels.
