

MEETING FACILITIES

*Bring your meeting
to order – beautifully*

The right setting can turn an ordinary meeting into an extraordinary one. Our unique meeting rooms at The Hermosa Inn are ideal for groups of 20 to 70, and boast timeless territorial architecture, authentic furnishings and artwork painted by the original owner, artist Lon Megargee.

MEETING FACILITIES

Modern technology meets authentic Arizona charm at the Inn. Our casually elegant meeting settings showcase attention to detail with stylish, comfortable décor and state-of-the-art A/V equipment, as well as attention to you – with understated, thoughtful service.

THE BOARDROOM

Executive board meetings have never looked better. The boardroom is beautifully appointed with a glimpse of Arizona's artistic heritage, and accommodates up to 20 for a sit-down dinner meeting or 30 for a reception. A lush patio with a fountain created from an antique horse trough turns this room into an unforgettable setting.

THE LIBRARY

The Library offers a classic retreat with its massive stone fireplace, leather chairs and walls of limited edition art books. The room can be set up to host 32 guests for a banquet, 50 theater-style for a meeting, or up to 60 for a reception. A patio surrounds the Library, and is ideal for a breakout room.

THE STETSON ROOM

The Spanish-Colonial-style Stetson Room is our largest meeting room, offering theater-style seating for up to 70 guests. Full of character, it features a hand-painted ceiling surrounded by adobe walls, a fireplace and a lovely outdoor patio.
