

## Parking

Street parking in the vicinity of the hotel is free, convenient and *usually* readily available. Although we do not offer valet service or a dedicated

parking lot, just let us know where your vehicle is parked and our Bell Staff will be pleased to safeguard your keys and assist in moving your vehicle, as required by neighborhood parking restrictions.

Remember that despite our exclusive location in San Francisco's loveliest neighborhood, you are parking in an urban area, and you should take basic precautions—do not leave luggage or other valuables visible in your vehicle and please take care not to block our neighbors' driveways.

Finally, please be advised that when parking parallel to the curb on a hill, local law requires you to “curb your wheels” so that your car will not roll into traffic should the parking brakes fail.

### City Parking Restrictions

If you plan to look after your vehicle yourself, please observe the following parking restrictions, which are clearly posted in many locations:

A three hour time limit is in effect from 8 a.m. to 6 p.m., Monday to Friday.

Parking is not permitted during these street sweeping days and times:

 Pacific Avenue north side (opposite the front of the hotel) on the first and third Tuesday of every month, from noon to 2 p.m.

 Broderick Street (the hotel cross street) on the first and third Wednesdays of every month, from noon to 2 p.m.

 Pacific Avenue south side (directly in front of the hotel) on the first and third Thursdays of every month, from 9 a.m. to 11 a.m.
