Negril's cliff-side retreats, like the Caves Hotel & Spa (thecaveshotel.com; doubles from \$480), are the perfect antidote to stress. At this adults-only haven, you can stay in one of 12 colorful cottages, kayak the coast, and wind down at the Blackwell Rum Bar, which is tucked in a sea cave accessible via a coral staircase.

Best Caribbean Resort Hotels for Romance

With its secluded beaches and intimate resorts, this region has always been a hit with couples. Our readers' favorite places to get away range from a glamorous 1950s icon on St. Bart's to two posh hillside retreats with Piton views on St. Lucia.
