### WELCOME TO LE SOLEIL D'OR

Le Soleil d'Or is the Cayman Islands' only beachside farm-to-table destination. Located on the pristine island of Cayman Brac, just an hour from Miami or 30-minutes from Grand Cayman, guests relish in the barefoot elegance of accommodations in the form of a luxuriously appointed Beach Cottage or Beach House with private pool and beach access. For a more communal experience, guests can book a stay in the Boutique Hotel. Through a commitment to conscious hospitality, the staff at Le Soleil d'Or helps guests experience the luxury of time and tranquility with service that is intuitive, understanding, and understated.

The heart and soul of Le Soleil d'Or is a 20-acre organic farm located on a limestone bluff overlooking the main grounds which guests are encouraged to visit as a part of their experience. The property's owner, inspired by her own agrarian roots and Mediterranean farm heritage, transformed the untamable terrain into a bountiful source of fresh fruit, vegetables, flowers, and herbs used at Le Soleil d'Or's two restaurants where chef-led cooking sessions are held. The produce is also used in spa products, in-room amenities, and more. Fitness programs, local excursions, beach cruisers, and snorkeling gear are also part of the signature Le Soleil d'Or experience.
