ONE STORY AMONG MANY

Ashley and Mike's Wedding Experience

We can't say enough about the beautiful venue or how wonderful Mission Point was to work with, from figuring out how we could roast marshmallows for s'mores when it was too windy for a bonfire to having tandem bikes

ready to go after the ceremony for pictures. Head Chef Keith Shockling was amazing throughout the whole process to work with and not one guest had a negative thing to say about the food. It was all hot, cooked to perfection and beyond delicious.
