OVERVIEW

To complement your wedding celebration, Mission Point is pleased to offer a wide variety of beverage options, both alcoholic and non-alcoholic.

To accommodate your wishes and make your celebration planning simple and hassle free, Mission Point offers a variety of options for beverage service. There are essentially three types of bar service: *package bar*, *consumption bar*, and *cash bar*.

A *package bar* offers peace of mind, simplicity in planning, and frequently is the best value. We offer three quality tiers (Premium, Deluxe, and Standard), at a simple “per person-per hour” price.** A *consumption bar* is a bar in which beverage charges are based on a fixed price per beverage, based on actual consumption, with the charges being posted to the host’s master account. A *cash bar* is a bar in which each guest seeking a beverage pays for their own beverages, per beverage.

Mission Point is pleased to customize wine selections and pairings, should wine service during your wedding dinner be desired, or if an upgraded wine selection at the wedding bar is desired. Our catering team works closely with our Beverage Director and Wine Consultant to assemble the perfect wine selection, customized to your wishes, from Mission Point’s extensive wine list, offering a wide variety of varietals, vintages and pricing. This consulting service is also available for those looking for the perfect craft brew that may not be on our standard lists.

Mission Point also offers a variety of interesting and fun specialty bars, to add a note of celebratory excitement to your special day.

**In accordance with Michigan law, beverages in our package bar options are not sold below Michigan LCC minimum retail pricing, and are not unlimited. Customary 22% service charge and 6% sales tax applied to all food and beverage.
