Package Choices

Bridal Bouquet Choice

Your Wedding Package includes a Bridal Bouquet and a Groom's Boutonnière. The choices are shown below. The Boutonnière will match with the Bouquet chosen unless otherwise requested.

Roses

The meaning of red roses is romantic love. A deep red rose is for lovers, a bright red rose signifies passion, while cardinal red roses symbolize desire.

White roses symbolize innocence, purity, loyalty and sincerity. White roses are also the most popular bridal roses.

The meaning of purple roses is eternal true love. Lavender or lilac rose colors mean the beginning of true love.

Calla Lilly

The calla lily is symbolic of marriage and purity because of its white color and its trumpet-like shape, similar to a woman's figure.

Orchids

Orchids are generally regarded as a symbol of rare and delicate beauty and hold a special place as one of the most alluring and captivating, making them a special choice for the treasured people in your life.

Seasonal Bouquet

Seasonal, locally grown flowers are available as a florist choice. Allow our creative genius to provide you with a fresh and fragrant bouquet.

Nature Inspired Arch

The wedding arch is a traditional element of the wedding ceremony, framing the location where the bride and groom stand to say, "I do."

Frequently Asked Questions:

We know that you will have many questions and we look forward to answering each one of them! Until we have the opportunity to talk, please review some of these.

How do I start? - Now that you have decided the Outrigger beach is where you want to start your married life; a non-refundable \$300 booking fee reserves your wedding date.

What are the Florida marriage license requirements? - Getting married in Florida is simple. Out of state residents, do not have a waiting period. You simply appear together at the Clerk of the Court office, present a photo ID, and pay the fee (\$93.50) in cash. No blood test here! If your time in Florida does not allow for an in person application, please ask us about the mail services that can be arranged. Florida residents must complete a pre-marital counseling course or allow for a 3-day waiting period from application to license effective date. We will provide any directions or other assistance if you need. Following the ceremony, we file your license on your behalf.

How does my family make their room reservations? – Your first phone call will be our resort group coordinator and she will be your partner in making your destination wedding successful and stress free. You will discuss with her the room requirements that must be met before your wedding is held at the resort. So how many rooms will you need for your wedding? We use the Rule of Three! Example: If your wedding is, the bride and groom plus 28 guests (30 people total) then you will be required to have 10 rooms for at least 2 nights each. (30 people ÷ 3 people per room = 10 rooms).

Receptions...dinner...parties, what to do after the ceremony? We have many options at very affordable prices! Choose a casual outside buffet on the Outrigger Tiki Deck or an indoor sit-down reception at Charley's Boat House Grill. Cash or open bar is available at either location. If your plans involve a large party when you get back home and you just want to enjoy a glass of champagne and the sunset with your newly betrothed after the ceremony, that is okay, too. You can do as little or as much as you want at the Outrigger. We do not lock you into large food and beverage requirements.

What about music? - We offer live music at the Tiki Bar, Monday - Friday, 5pm – 8pm and Saturday – Sunday, 2 – 5pm. We want to party after the party! – And so many of our couples do! The evening will start winding down after everyone is filled from the fantastic reception dinner. But, for the night owls, you might consider renting an open-air trolley to visit the late nightspots in Times Square (our downtown Fort Myers Beach area). If you want to stay a little closer to “home,” the Outrigger has a small meeting space that will accommodate up to 40 people for a little “after-hours” revelry. Because the Outrigger strives to be a family-friendly environment, our Tiki Bar closes nightly at 10pm.

My wedding party wants a spa day the morning of the wedding, is it possible? Absolutely! We have a beautiful day spa across the street from the resort that does the BEST pedicures!
