2nd Floor Prefunction A, B, C, D	800	12	20	40								

Numbers represent maximum seating capacities; adding AV, staging, dance floor, buffet or food stations will reduce seating.

The Overton was designed by meeting and conference professionals for today's events, with 20,000 square feet of all the resources you need for effective, memorable and productive events:

- 11,250-square-foot column-free ballroom/exhibit area, with sound-deadening walls to convert the space into three separate rooms
 - Four smaller meeting rooms and two executive board rooms • Wired and wireless Internet access
- The latest audio-visual equipment • Complete catering and food service • Spacious and flexible pre-function areas
 - Connected 15-story full-service hotel with 303 upscale rooms and suites • Relaxing restaurant and bar
 - Modern and fully wired business center • Fitness facility and outdoor pool • Complementary guest parking
