Your Everything Guide to Fort Lauderdale Hotels

Plunge Beach Hotel

Head north to Lauderdale-by-the-Sea, a throw back beach village that feels like you've stepped inside a 1950s postcard. [Plunge Beach Hotel](#) (4660 El Mar Dr., Lauderdale-by-the-Sea; 754-200-3346) plays up the kitschy mid-century charm with colorful, design-minded rooms throughout its campus of three buildings along the oceanfront. Dining is also top notch with a beach bar serving fresh fish tacos and a lobby restaurant with elevated small plates.
