

COPALA AT QUIVIRA LOS CABOS PLANS SPRING 2015 DEBUT

Deluxe new resort community is situated near Jack Nicklaus-designed Quivira Golf Club

Los Cabos, Mexico (Nov. 11, 2014) - [Copala](#), a full-time home and condominium community fanned out in mountain foothills at [Quivira Los Cabos](#), is progressing quickly and is poised to take advantage of the dramatic site's panoramic ocean views, white sandy beaches and sheer rocky cliffs.

This ocean-view, master-planned development will showcase beautifully designed homes, luxurious 1-, 2-, and 3-bedroom condominiums, a spectacular new Jack Nicklaus Signature Golf Course, and full access to adjacent restaurants and award-winning spas. Copala Residences and Condominiums at Quivira Los Cabos captures the timeless charm and Cabo flair of casual elegance with unmatched quality and superb service, elements that are reflected throughout the entire residential community.

Taking advantage of its elevated position along the foothills of gently rolling desert bluffs, Copala offers the rare opportunity to reside in style in a community with panoramic views of the place where the Pacific Ocean meets the Sea of Cortes. Also in view is the historic Old Lighthouse at Land's End, the region's oldest standing structure, along three magnificent miles of pristine beaches. Copala offers an exquisite outdoor and indoor experience that provides residents with the lifestyle and privacy of a beautifully appointed ocean-view retreat.

As a full-service resort community, Copala will feature an array of hospitality and activity amenities, including a beachfront clubhouse, spas, restaurants, natural conservation areas, walking/hiking trails, gardens as well as the spectacular Jack Nicklaus Signature Golf Course.

"Our team has worked with the canvas Mother Nature provided to create what we hope is one of the most spectacular courses in the world," Nicklaus said of Quivira. "This property afforded us a rare opportunity because of its topographic diversity and natural environment."

The 7,319-yard, par 72 course features more oceanfront holes than any other development on the Baja Peninsula. This dazzling venue, marked by windswept dunes, sheer cliffs and desert foothills, presents some of the most scenic and exciting championship-caliber golf in the world.

By the end of November, 2014, the community's first house will be completed and by April 2015, the first apartment building at Copala will be finished.

At full completion, Copala will feature 85 houses and seven 6-floor buildings, each with 36 apartments, including 1-, 2- and 3-bedroom units. In addition to the Quivira Beach Club, the development will also offer its own clubhouse.
