

# CABO'S NEXT GREAT RESORT

## THE TOWERS AT PACIFICA

BY TY FAHLMAN

For years, Pueblo Bonito Pacifica Golf & Spa Resort has been one of the premier all-inclusive, five-star, adults-only resorts in Los Cabos. This distinct oceanfront escape has continually wowed jetsetters with its impeccable service, private beach, gourmet restaurants, world-class spa, and renowned Jack Nicklaus signature golf course, Quivira Golf Club. But this winter (amid a burgeoning hospitality boom in Los Cabos), the resort is expanding upon its esteemed reputation with an entirely new luxury experience for guests: The Towers at Pacifica.

"As the region enters a new phase in ultra-luxury hospitality we strive to remain industry leaders, offering luxury without limitations," says Severino Gomez, Managing Director of Luxury Brands for Pueblo Bonito. This three-building expansion aims to provide an unparalleled luxury experience to guests. At the heart of this philosophy is a fully personalized, 24-hour butler service that begins long before your arrival. Trained at the esteemed British Butler Institute, Pacifica butlers consider themselves "artists of service," catering to guests and almost invisibly handling their every need. In a move that definitely

got our attention, guests will be able to seamlessly communicate with butlers via their smartphones during their stay.

In addition to everything that has always made Pueblo Bonito Pacifica so alluring, The Towers at Pacifica guests will also enjoy a new gourmet restaurant and bar, outdoor beach lounge, state-of-the-art oceanfront fitness center, exclusive third-floor VIP Towers Lounge, and a multitude of unique daily culinary experiences. The Towers at Pacifica's 47 rooms and suites feature such amenities as custom-stocked mini bars and refreshment areas, portable Beats speakers, a "pillow menu," and aromatherapy turndown service. *Jetset*-friendly accommodations include six "pool suites" with private plunge pools and a stunning, 3,233-square-foot presidential suite on the top floor with panoramic terrace views of the Pacific.

While there are countless quality luxury resorts in the Cabo area, The Towers at Pacifica's elegant and inviting modern design, breathtaking ocean views, revolutionary butler service, unique experiences, and luxe amenities throughout help place it in a class of its own.
