

# TRAVEL+ LEISURE

## **Pueblo Bonito Pacifica Golf & Spa Resort, Cabo San Lucas, Mexico**

Love Cabo and the notion of private beach cabanas, massages, and attentive service—but hate the idea of being surrounded by hard-partying college kids? Here's the place for you, a non-break-the-bank option for those who want fresh ceviche, fish tacos, and all the little luxuries of a Mexican vacation without the crazy expense or the hubbub of Cabo. It's adults-only, to boot.
