**Description:** Built on one of the most stunning settings in the world, at the tip of the Baja Peninsula marked by sheer granite cliffs, huge windswept dunes and rolling desert foothills 10 minutes from downtown Cabo San Lucas, golf legend Jack Nicklaus has designed a course that is poised to redefine the Cabo golf experience.

Created as an exclusive amenity for owners and guests of Quivira Los Cabos, this world-class layout offers dazzling views and breathtaking drops from tee to fairway. In a destination revered for its unique ocean-desert-mountain setting, Quivira offers more oceanfront exposure than any other course in Los Cabos, with views of the ocean from every hole.

**Elevation:** While the highest point within the Quivira community is close to 700 feet high, on the golf course, the lowest point is the 18th green, right on the beach, at about 30 ft above sea level, and the highest point is 380 feet on the 15th hole.

One of the most beautiful drives in golf (.7 miles) is taking the cart path from the 4th green to 5th tee with an elevation change from 50 feet above sea level to 285 feet above sea level.

**Grasses:** Greens, tees, fairways and rough are paspalum (platinum)

**Walking Policy:** Optional

**Green Fees:** \$345

**Practice Facilities:** Situated beside the clubhouse at Quivira is one of the rarest sights in all of golf: A spacious, double-sided practice facility that parallels the ocean, right on the sandy beach and with the rolling surf a mere wedge shot away from the verdant turfgrass.

- practice bunkers and putting greens
- 18- hole putting course
- Short game practice area
- Taylor-Made rental equipment (hourly access available)

**Dining:** The Steakhouse, located within the clubhouse, has perfectly grilled steaks and other entrees available in a breathtaking seaside setting.

Refreshments will be available at the practice facility, including spicy Bloody Marys (and tequila-based Bloody Marias). In addition, light bites such as tuna sliders, fish tacos and regional gourmet specialties will be served.

The outdoor seating area at the club's large rectangular bar, serves as Quivira's 19th Hole. It's the perfect place to recount the round and settle wagers.

**Comfort Stations:** Behind the tee boxes at the fifth hole where, at over 200 feet above the ocean with expansive ocean views, the "Cliffs" comfort station awaits with ready-to-go refreshments.

A halfway house situated near the eighth green, called the "*Oasis*," showcases the culinary talents of the resort's chefs, with flavorful regional cuisine dishes and inventive takes on classic Baja cuisine. In addition, a full bar, including a deluxe tequila bar will feature blanco, reposado and anejo tequilas.

Players can refresh themselves a final time at the "Cañada" comfort station, next to the 16th tee, which sits high above the course and marks the layout's return home.
