As our guest you enjoy activities, pool and beach services at both of our sister resorts Saint Peter's Bay and Port Ferdinand. Please be sure to check the location detail for the various activities in our program. We offer complimentary daily scheduled water taxi transfers between resorts (refer to Water Taxi & Shuttle Transfers section of our program).

Our concierge team will contact you in advance of your arrival to assist you with planning your stay with us. They are available to babysit in your own home, in our kids club or if it would be more convenient they can join your family at a desired location on the island.

These services are in high demand over this very busy season so we recommend well-advanced notice so that our Concierge can ensure that your little ones are looked after when you would like to enjoy some time on your own.

Standard Rates:

- US\$25 per hour during the day and evening up until midnight for one child, if the booking is for more than one child there is an additional US\$10 per child.
- US\$30 per hour after midnight for one child and US\$15 per child for any additional child.
- There is a 3 hour minimum requirement for each sitting.

Good Friday and Easter Sunday Rates:

- US\$35 per hour during the day and evening up until midnight for one child, if the booking is for more than one child there is an additional US\$15 per child.
- US\$40 per hour after midnight for one child and US\$20 per child for any additional child.
- There is a 3 hour minimum requirement for each sitting.

Should you wish to cancel or amend a babysitting booking, we kindly ask that you give Concierge a two (2) hour notice to avoid a penalty fee of US\$30 which will be charged to your guest account.

The payment for babysitting will be charged to your guest account and paid for on departure.

There are no cash transactions, however any tip or gratuity you would like to give your babysitter is entirely at your discretion.
