No cell service? No problem.

### Mission Point – Mackinac Island, MI

For a true time-travel experience, check out this island in the middle of Lake Huron. Cars have been banned since 1898, meaning horse-and-buggies, bikes and your own two feet are the preferred modes of transportation. Book a room at the iconic red-and-white Mission Point, an 18-acre waterfront property that recently debuted a new spa and wellness center.
