## *16 Hotels with Amazing Perks Just for Mom*

2017/05/09 | [rtshelleymassey](#)

For most of us, a roadside motel without cable sounds like a dream if it comes with a few solid hours of uninterrupted sleep and solitude. But if you're looking for a getaway that offers a little more than sound sleep, look no further. From solo escapes to spots where you can bring the babes and still indulge in some me-time, read on for the best the country has to offer.

## Lafayette Park Hotel and Spa – Lafayette, Ca

Located in the heart of the East Bay's thriving art, shopping, wine and culinary scene, this French chateau-inspired luxury hotel is easy to access from San Francisco, meaning moms can be relaxing poolside, reading in one of the hotel's private, oak tree surrounded courtyards, or heading to the spa within an hour or two of dropping off the final round of carpoolers.

**If you're leaving the kids ...** check out nearby Cal Shakes' performance schedule—acclaimed in the summer as “the best of the West Coast Shakespeare Festivals.”

**If you've toting the fam ...** head to the Lafayette Recreation Area—an all-year day-use area ideal for hiking, jogging, fishing, boating and picnicking, located two and half miles away from the hotel.
