ZEMI BEACH HOUSE

Where: Anguilla

Powdery Shoal Bay East, often voted one of the best beaches in the world, forms the dramatic backdrop for [Zemi Beach House](#)—which, upon its opening in February 2016, will be the first resort on Anguilla's East End (and the first new-build resort to open on the island in 6 years.) Initially, the hotel will launch with 70 rooms, then expand to 129 by the end of the year; all will feature balconies or terraces, Bluetooth-equipped speakers, and Caribbean-themed mini-bars, while the multi-bedroom residences will also have plunge pools. Five dining and drinking spots—including the Rhum Room for small-batch estate rum —will satisfy taste buds, while activities like snorkeling and glass-bottom kayaking will be available via the Beach Concierge and the Beach Club. Don't miss a swim in the oceanfront pool, which has an underwater window looking out to the shore.
