Final Jimmy Award Winners For 2016: Europe, Caribbean, Australia & New Zealand (And Cruising)

I spent a great deal of time in Canada and the U.S. in 2016. I also had visits to several Caribbean Islands, including small spots like Mayreau on a Sea Dream Yacht Club cruise and larger islands such as the Dominican Republic, Anguilla, Barbados and St. Martin. I had week-long visits to both Australia and New Zealand. And I managed time in Portugal, England, Italy, Germany and several other countries on my Viking River cruise. Here are my Jimmy Awards for top travel spots of 2016 outside Canada and the U.S.

Coolest New Caribbean Hotel: *Zemi Beach House* Anguilla is a sleek and sexy spot with a great rum bar and fabulous pool. Great food, too. I didn't get the chance to stay there. But my calendar is open in April, folks.

The Zemi Beach House on Anguilla is a chic, sexy spot on the north shore. – JIM BYERS
