## Overview

- ✓ Award-winning spa
- ✗ Only one restaurant open during the week

Recent guests said the accommodations and service at this resort on Anguilla's [Shoal Bay East](#) are exceptional. Sprawled across 6 acres, the resort's 54 rooms and nine two- and three-bedroom suites are equipped with deep-soaking tubs, walk-in glass showers and furnished balconies with pool or resort views. Past visitors loved the spacious layout of their accommodations (which range from 535 to 2,826 square feet) and the contemporary Caribbean interior design (think: natural wood furnishings with crisp white linens and accents). Lodgers were equally impressed with the outdoor pool, which overlooks the ocean, as well as the spa, which is housed within a 300-year-old Thai house and features a hammam, rain showers, a juice bar and a meditation garden. The resort also offers a fitness center, yoga classes and a beach boot camp, but if you'd rather get your adrenaline pumping in the water, you can ask the beach concierge to organize water activities, such as kayaking and snorkeling. Though the resort's dining selection is more limited (there are two on-site restaurants, one of which is only open Thursday to Sunday evenings), the property's convenient location makes it easy to explore nearby eateries. You'll also find two bars on-site. What's more, as part of [Preferred's](#) portfolio of hotels, this property participates in the [iPrefer](#) rewards program.
