DINING

SEASONAL, SUSTAINABLE

Pairing Anguilla's freshest fish and produce with flavors from Asia to Latin America, the resort's restaurants – Stone and 20 Knots – turn out dish after magnificent dish. Whether you're dressing for dinner or kicking back with your toes in the sand, you'll savor handcrafted cuisine that celebrates all that is natural, organic and local.

DINING

ALWAYS STUNNING

At Zemi Beach House Resort, our culinary credo is simple: sustainable practices in fishing and farming bring food to life. You'll taste this guiding principle in every bite, from classically Anguillan Grilled Spiny Lobster to Asian Roasted Pork.

BARS AND LOUNGES

A TOAST TO ISLAND TRADITIONS

The quintessential Caribbean beach bar is elevated to new heights at Shoal Bay, our chic oceanfront oasis. Stylishly set at the water's edge, this is our guests' go-to gathering spot for creative cocktails and stunning sunsets. In the Rhum Room, sample small-batch rum, or head to the stylish and social Bar & Lounge for music, mixed drinks, champagne and fine wines.

ACCOMMODATIONS AND RESIDENCES
INSPIRED AND INSPIRING

Organic textures and decorative details distinguish Zemi's oceanfront guest rooms and suites. Taking our cue from nature and the island's natural landscape, our accommodations gently slope to the shore, affording sea views from every vantage point. Wood furnishings of Brazilian ipe and petrified wood sinks add an earthy, exotic touch to Zemi's unique collection.

PEACEFUL IS A PLACE

Anchoring six pristine acres on Anguilla's quiet and secluded Shoal Bay East, Zemi Beach House Resort & Spa is bordered by the exquisite Fountain Cavern National Park, a lush archeological treasure.
